

## Request for a custom dataset from the AMDI Database

Contact Name	
Phone	
Email	
Organisation	
Organisation address	
Briefly describe what the data will be used for	
What are the approximate geographical and time parameters of your data requirements?	
Please choose a format for your data	<input type="checkbox"/> MS Excel <input type="checkbox"/> MS Access <input type="checkbox"/> Other _____

I am accept the conditions of use stated below

Name: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

### Conditions of use

Data contained in the AMDI Database remains the property of the original contributors and the Australian Marine Debris Initiative.

If data is to be used publically for any purpose the data contributors and the Australian Marine Debris Initiative must be acknowledged. (We will provide this information based on the data used in your final draft).

A copy of your final draft is requested prior to being made public in any form.

A fee may be requested for the provision of your data.

Please email this completed form to [data@tangaroablue.org](mailto:data@tangaroablue.org). We will contact as soon as possible discuss your data needs and finalise the arrangements for providing the dataset.
