

NANUM WUNGTHIM LAND & SEA RANGERS
cordially invites you to attend the

PENNEFATHER BEACH CLEAN-UP

18th – 22nd September 2023

This event aims towards building stronger community networks and initiatives through the **INDIGENOUS RANGERS COASTAL CLEAN UP PROJECT** by providing awareness on the effects of **GHOSTNETS & MARINE DEBRIS** on our beautiful coastal beaches.

As the Pennefather Coast stretches south for some 50km, some would say it's a task that's unachievable. But with many hands makes light work.

And the reward.... You get to camp while doing it!!

It is an opportunity to be part of a community event that has been a long time coming, and hopefully will be the first of many.

**TO REGISTER OR FOR ANY QUESTIONS, PLEASE CONTACT
Ranger Coordinator – 0447 621 326**

Please be aware that with the closure of beach access due to the "Turtle Nesting Season" conditions will still apply, however you will still get the opportunity to camp and experience all that the beautiful Western Cape has to offer.

PENNEFATHER BEACH CLEAN -UP
